

Please use the "South Drag Gate" for entry Friday evening in May: The track is rented and hot until 5 pm, so we cannot enter the paddock area until 6:00 pm Friday night. Please park in the gravel spectator parking lot while waiting for the 6:00 pm entry time, and obey all paddock marshals. We have the west half of the paddock area, just as for most weekends last year.

Gate entry Saturday and Sunday for everyone will be through the "South Drag Gate"

Gate policy: Saturday and Sunday

To avoid paying the standard Castrol entrance fee of \$20/day, all participants, volunteers and guests must do one of the following:

- a) Access for everyone will be through the south drag gate.
- b) Racers, officials and volunteers will present their hardcard to obtain free access.
- c) You can buy two WCMA crew passes (hardcard) from Sue Wilson for \$20 each, good for the entire season, with no names on them, to pass to any of your crew or guests for use during any of the race events, to be returned to you by the person you give it to. Individuals using the crew pass MUST sign the waiver.
- d) Crew and family members can also purchase an WCMA Annual Waiver Hardcard for \$15 each. This hard card allows the holder the same privileges as racers and officials (ie they have signed the annual waiver). The link to obtain one is: msreg.com/wcma-waiver
- e) Extra admission tickets can be obtained for one time guests at race registration on Friday night at Blackjacks before each race weekend. Admission tickets will also be available at registration at the track or from the NASCC Race Director during the weekends event.
- f) ***Failure to follow the above steps, may result in the need to purchase a general admission of \$20/day from Castrol Raceway via the South Drag Gate. There will be no refund of this fee by NASCC under any circumstances.***
